ARES/RACES Comments by Ivan N1OXA Androscoggin EC

January was a quiet month, as emergency goes. But with the latest weather who knows what the rest of winter will bring. There is a software system called NBEMS, Narrow Band Emergency Message System, All you need is a computer and a radio(HF, VHF, or UHF). If anyone is interested, the website is:<http://www.w1hkj.com/> and it's free. There are four downloads, Fldigi/Flarq, Flwrap, and Flmsg. The Oxford CERT Communication group, has started to train on, and use this new media. There Net is on Monday at 7:30pm on 146.88, 100PL. I'm looking forward to learning about this software, and hope to use it if we get enough ARES/RACES members trained . Just a reminder that our ARES/RACES Net has been moved to Thursday, 7pm, on 146.61. Also our Monthly eye ball meeting is on Feb. 16, 2011, at the Lewiston Central Fire Station, at 6pm. Hope to hear more of you on the nets.

Secretary's Report by Dick N1NYW

The Androscoggin Amateur Radio Club held a meeting Wednesday January 5, 2011 at the Lepage Conference center at St. Marys in Lewiston. In attendance: W1SCM and son Charles, KB1DOI, N1JD, WA1EOJ, N1KAT, N1OXA, N1KAT, W1LTX, K1WTX, N1AVJ, KB1QHR, W1LWT, N1SVB and N1NYW.

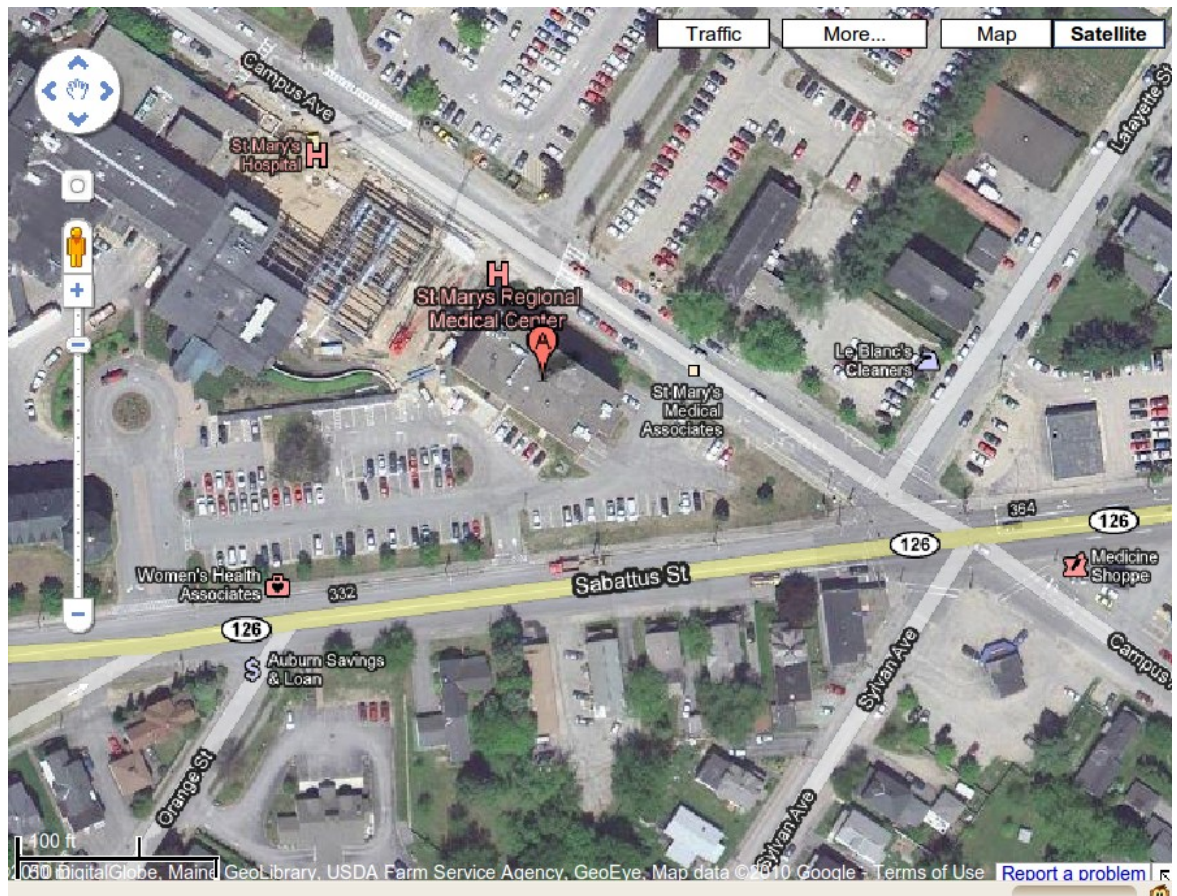

The meeting was called to order by President Bill Woodhead at 7:00 PM sharp. Andy KB1DOI made a motion to approve the Secretary's report which was seconded by Jerry K1WTX. Vote: approved. Ivan read the Treasurers report followed by a motion to accept the report by Bob W1LTX and a second by Andy KB1DOI. Vote: approved.

The Lewiston Library received its new technician book and sent the old book back to the club to recycle. Paul KB1QHR got to take it home.

Bill discussed the ARRL State Convention and said that it was confirmed by the League that our Hamfest March 25 and 26 will be certified by the League as the state convention. Bill will be asking W1RFI to do a talk about interference and Bob W1LTX will be making the calls to get catalogs and prizes from the vendors. Ivan says the test sessions will be held in the afternoon after the prize drawings. Jerry K1WTX said it would not make much sense trying to hold a spotter training class because only people who already took the class showed up at the last one.

Jerry K1WTX says the 2x2 VHF contest is coming up next month so be ready! He also thinks it would be a good idea to have a speaker talk or presentation during the meetings. It may help get a higher attendance.

Bob W1LTX made a motion to adjourn which was seconded by Andy KB1DOI. Vote: approved at 7:17PM to hear Lee W1LWT talk about how cell phone communications work, the talk postponed from a few months ago.
