ARRL Maine State Convention & Androscoggin ARC Hamfest and Computer Fair

Friday March 30 and Saturday March 31 2007

The Androscoggin Amateur Radio Club presents the 2007 American Radio Relay League (ARRL) Maine State Convention and Hamfest at the Ramada Convention Center at 490 Pleasant St, Lewiston, Me., on Friday March 30, from 1900(7pm) to 2100(9pm) and Saturday March 31, from 0800(8am) till 1200(12Noon).

FRIDAY NIGHT MARCH 30, 2007 (1900 AND 2000)

We are scheduling many interesting talks and forums starting at 1900(7pm) and more talks at 2000(8pm). The ARRL will have an official here to talk about the latest news on amateur radio, and have a Q & A section. Other talks will be related to amateur radio Packet, Digital Modes, etc. All talks and forums are FREE.

SATURDAY MARCH 31, 2007 (0800 TILL 1200)

The convention talks and forums will continue this morning at 0900(9am), 1000(10am), and 1100(11am), and these are also FREE. The Hamfest will start at 0800 and end at 12 NOON, with the Door Prize. Admission is \$6 for 18 yrs. and older, free for under 18 yrs old. Registration for amateur exams will start at 1000(10am), with testing starting at 12 NOON. With CW being removed as a requirement for an amateur license this should be a busy test section.

Ramada Conference Center is again having their Hamfest Special of \$64.90 (plus tax) per day, single or Double. This includes indoor heated pool, sauna and Jacuzzi. Call (207) 784-2331 for reservations and mention "Androscoggin Hamfest or ARRL Convention".

Tables at the Hamfest are \$8 for the first, and \$6 for each additional table. For clubs or non-profit groups, your registration gives you one free table with one free admission to promote your club or group. If you want to sell items, then additional tables are \$7 each and \$6 for each person working the tables.

For additional information or questions call or email:

SKYWARN – WX1GYX by David Lowe KB1NJP

On Valentines Day Wednesday WX1GYX was active to receive spotter reports. Local nets were used to relay observations to the Gray Weather Forecast Office. Jim-N1FCM on 146.61 and 52.525, Alex-KB1OBC on the Brunswick and KQ1L linked system repeaters, Ken-N1DOT ran Echo Link and Sea-Gull, and Mike-W1MWB on the Sanford 145.21.

Jerry-KB1NHD and David-KB1NJP staffed WX1GYX from 1200 until about 1900 EST. The Weather Forecast Office received 19 reports by Echo Link and 54 reports by the Local Nets. This was a successful operation, by filling in reporting gaps this gave forecasters valuable information that would otherwise be lost.

Thanks to all who participated.

Androscoggin County RACES/ARES by Ivan Lazure N1OXA

The RACES/ARES Meeting was held on Feb. 13, 2007 at the Androscoggin EMA Office in Lewiston. We discussed what the groups future should be looking forward:

1. Training was the one issue that we all agreed was needed:

Traffic handling (Red Cross, Hospital, EMA, etc.), similar info but different format.

Working in the Comm. Van

2. Work on the Packet Station at EMA (APRS, WinLink)

3. Do Antenna work at EMA, Park Ave. School(EMA Shelter).

We have the MS Walk coming in April, and The Great Falls Balloon Festival in August. We are also starting a monthly ARES Net on the 146.61 repeater, the first one is on March 27, 2007 at 1800.

The next meeting is on March 13, 2007 at 1800, at the Lewiston EMA Office. Hope to see some new faces.

Andy Club Minutes by Dick Knight N1NYW

The Androscoggin Amateur Radio Club met February 7, 2007 at Russell Park. In attendance: n1oxa, n1svb, kb5sud, k1mst, n1llu, n1jd, n1wfo, wa1scq, w1scm and son Charles, kb1doi, n1dot, wa1eoj, kb1gvt, kb1ieg, kb1njp, kb1nhd, n1fcm, n1nyw.

The meeting was called to order by Vice President Earle Gilmore n1svb. First order of business, Al wa1scq moved and Harold n1llu seconded the approval of the Secretary's report. Vote: approved.

Ivan n1oxa read the Treasurers report. Al wa1scq moved and Bob kb5sud seconded the approval of the report. Vote: approved.

Ivan talked about the Hamfest preps and told about the talks that are booked. Ivan saw a "test table" at another hamfest and thought it would be a good idea to have a table where hams could try out the equipment they buy, hook to batteries or dummy loads. Members should think about the job they would like to volunteer for at the hamfest and sign up at the March meeting. Anything including set up of tables Friday afternoon through tear down Saturday afternoon. Ivan would like someone to volunteer to listen to 146.61 and talk in those who need directions.

Ivan would like to know if someone would like to be hamfest coordinator for future events. Talk to him if you are interested.

Reminder Crystal Falls Hamfest is February 24.

Races meeting at 6 PM February 13 and the MS walk is coming up the end of April. Ivan says that the 80 meter antenna on the Lewiston fire station will need work come spring. He also reports that the Red Cross will be moving out of their building as soon as a new location is found. A list of things needed to operate shelter communications at the new Park Avenue School in Auburn will need to be put together. Radios, antenna(s) etc. The location already has 50 KW generator.

Bob kb5sud moved to adjourn and David kb1njp seconded. Vote: approved. The group then watched the video from WCSH about the Governor becoming a ham radio operator.

Respectfully submitted,
Dick Knight n1nyw Secretary

DX contacts by Earle Gilmore N1SVB

The past month we made 45 DX contacts representing 24 different countries. Conditions the month January were very poor. Many evenings, which is when I make many of my contacts, the 20 meter band was completely dead. The countries contacted were:

3DA0, Swaziland; M0, England; F1, France; TG9, Guatemala; CT1, Portugal; 6W1, Senegal; 1A4, SMOM; EB7, Spain; 8P6, Barbados; XT2, Burkina Faso; 4N4, Serbia Montenegro; IZ8, Italy; KE4, Antarctica; S56, Slovenia; PJ7, St. Martins Is.; DL1, Germany; EA6, Balearic Is.; LW3, Argentina; VU7, Lakshadweep Is.; IT9, Sicily; ZS4, So. Africa; YQ9, Romania; PA2, Netherlands; HR2, Honduras;

There were a few real exotic stations worked this month however, one station 1A4A, Sovereign Military Order of Malta was the Best one as that entity was a new one for me. VU7MY, Lakshadweep Is. Was another good one to work but I have already contacted that country and have exchanged QSL cards. We made no contacts from the Pacific area this month.

DXpeditions by Earle Gilmore N1SVB

There are several DXpeditions to various parts of the world coming up during the month of March. Some haven't been assigned a call as yet or the operators will use the country prefix and their home call.
